LIVYN

Product specifications

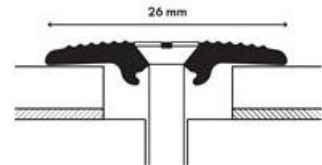

Quick-Step® Livyn expansion profile commercial use QSVEXPCOMSILV

Aluminium, silver tone

Dimensions 1 PC: 200 x 2,6 x 0,5 cm

Contents 1 PC: 1 pre-drilled aluminium expansion profile, screws (stainless steel 3,5x35 mm) and plugs (5x25 mm).

Order quantity: per 1 PC in shrink-wrapping.

Product description

- Subtle and elegant profile for use in commercial areas. Use the profile to cover the expansion joint between 2 floors of the same height e.g. at a door entrance or in a large room/corridor where an expansion joint is required.
- Can be used with both **clicked** and **glued** Livyn floors.
- Extra wear-resistant quality aluminium, silver tone.
- Installation with the supplied screws and plugs (installation without sub-profile). **Tip:** avoid fixing the floor too firmly between the expansion profile and the subfloor. Make sure you can still slide a piece of paper between the profile and the Livyn floor.
